**ENVIRONMENT IMPACT ASSESSMENT (EIA) CERTIFICATE SPECIAL CONDITIONS FOR MINISTRY OF FINANCE
AND ECONOMIC DEVELOPMENT PROGRAMME MANAGEMENT UNIT**

TERMS AND CONDITIONS

- 1.This certificate does not give neither title to land ownership nor does it substitute the authority of land Authorities as the certification is purely for the environmental and social impact management should the project be implemented.
- 2.The developer shall comply with the conditions specified in the approved Environmental Management Plan.
- 3.The developer should notify the Director General if there is any change in the project which is likely to alter the project's effect on the environment or if it appears the project's effect on the environment differs materially in kind or degree from the results outlined in the environmental impact assessment prepared for the project.
- 4.The Environmental Management Agency may carry out periodic environmental audits of the project. The developer shall keep records and submit quarterly progress reports to the Environmental Management Agency.
- 5.The developer shall ensure that all other licenses and permits are acquired, and conditions are adhered to.
- 6.The developer should comply with subsidiary legislation and statutory instruments.
- 7.This certificate is not transferable to any other person or developer.
- 8.This certificate is subject to amendment, suspension or cancellation in terms of Section (104) of the Environmental Management Agency Act (Chapter 20:27).
