ZIMBABWE ONLINE  
AGRICULTURAL COLLEGE (ZOAC)  
VIRTUAL LEARNING CENTRE

“Breaking Geographical  
Boundaries”

Food Security  
Everywhere, Everyday

## ZIMBABWE ONLINE AGRICULTURAL COLLEGE (ZOAC) ACCEPTING APPLICATIONS

### Purpose

The **Zimbabwe Online Agricultural College** was formed in April 2023 to close the knowledge gap in the farming industry in Zimbabwe and beyond our borders. Its target students are the beneficiaries of the Land Reform Programme, Agricultural entrepreneurs, Farm personnel, such as (managers, supervisors, foreman) and the smallholder farmers in pursuit of high production, productivity, and profitability in the farming industry and to provide *‘Food Security Everywhere, Everyday’*.

### Call for Applications

The Department of Agricultural Education (DAE) housed in the Ministry of Lands, Agriculture, Fisheries, Water and Rural Development (MLAFWRD) is inviting applicants to enrol to the ninth (9<sup>TH</sup>) **virtual** Zimbabwe Online Agricultural College for the **August intake 2024**. This window is closing on **31 July 2024**.

### The Current Running Programmes

1. **General Certificate** in Agricultural Business Management which is targeting the farm personnel (farm managers, supervisors, foreman) and the smallholder farmer.  
(1 YEAR PROGRAMME at USD\$400 per SEMESTER)
2. **Executive Certificate** in Agricultural Business Management which is targeting Farm Owners and Agricultural Entrepreneurs.  
(1 YEAR PROGRAMME at USD\$500 per SEMESTER).
